Dear Parents/ Carers,

Re: Year 7 Parents' Evening – Thursday 26th February 2026, 16:00–19:30

To facilitate the essential dialogue with you and your child's teachers, the RWS7 Parents' Evening will take place remotely on the date above via the School Cloud Parents' Evening System.

Booking Information

Appointments can be booked from 7pm on Thursday 5th February until 11am on Thursday 26th February.

This evening is a valuable opportunity for you and your child to discuss their studies and next steps with subject teachers. The following link is used both to book and attend appointments, so please save it for easy access: <https://ravenswoodschool.schoolcloud.co.uk>.

How to Log In

To access the system, you'll need to enter:

- Parent/carer surname and email address
- Your child's preferred first name, surname, and date of birth

Please book one appointment per subject to allow access for all families. You can invite a second parent/carer to join the video call from a different location using the "Invite Parent/Guardian" feature once you have made your booking and this will send an invite to their email address giving access to the call. A full guide is available here: <https://support.parenteveningsystem.co.uk/article/801-video-parents-how-to-attend-appointments-over-video-call>

Key Information

- Please be aware that we do have a number of teachers who teach multiple Year 7 classes, so they may get booked up quickly and it may be the case you do not get to see all your child's teachers.
- If you're unable to book an appointment, you may email the subject teacher for feedback, who will respond with a written summary of progress so far by the following Thursday.
- Form Tutors will not be available for appointments to allow them to focus on subject feedback.
- Please read the Parent User Guide in advance to ensure your browser is compatible.
- Appointments begin automatically at the scheduled time and end when the time slot finishes.
- If disconnected, you can rejoin, but the timer will not pause.
- Ensure your microphone is unmuted at the start of each appointment.

Code of Conduct

Teachers will:

- Ensure no personal student data is visible and remain professional throughout
- Not take video or audio recordings of the meetings
- Follow up via email by the Thursday of the following week if technical issues prevent a meeting

Parents/Carers and Students should:

- Understand that meetings cannot be joined outside scheduled times
- Be aware that audio may still be active if video drops
- Not record any part of the meeting
