

# Welcome to our prospective Year 12s!

## Welcome to Ravens Wood School!

You have completed the first two stages of your induction into Ravens Wood School Sixth Form and we hope that you have gained a detailed understanding of what it will be like in Year 12. The final stage of your induction process, other than enrolling on the 24<sup>th</sup> August, is the pre- course task. You will have been given these during Induction or Bridging and completion of these is a requirement of joining RWS Sixth Form. If you didn't collect this, or were unable to attend, they are on the website under the 'Post 16' tab.

Some of you will already know Mrs Snasdell, but she is the Assistant Headteacher in charge of Sixth Form. Mrs Snasdell is a science teacher and some of you may have had the pleasure of taking one of her Biology Induction or Bridging lessons. I know that she is very excited to work closely with you all as you continue your studies at Ravens Wood School.

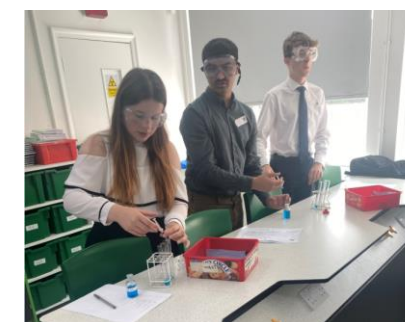

If you have any questions that haven't been answered please contact us at [sixthform@rws.uk.net](mailto:sixthform@rws.uk.net)

# SIXTH FORM

*Preparing for Success*

## Pre-course tasks:

During the induction lessons and bridging sessions, subject teachers should have handed out the pre-course tasks for you to complete over the summer. These are a requirement and you need to bring the completed packs to your first day at Sixth Form, ready to hand in.

If you change course or misplace your copy, electronic versions are available on our website under the 'Post 16' tab. [Pre-Course Tasks - Ravens Wood School](#)
